LED Golden Light Bulb Carbon Line Curved Spiral Filament Globe G80 4W 250Lm E27 1800K Dimmable - C05

Description

Whether for a bedroom or kitchen, on a suspension or table lamp, in a classic or modern environment, these globe lampshades will always shine. The C05 light bulb, also flaunts a patented new generation filament - the thinnest on the market - with a distinct spiral shape, much like the one found in traditional light bulbs.

Dimmable, with long lasting, ample light emission (15.000 hours for 20.000 on/off cycles). This light bulb was made from gold-coloured glass which radiates a soft, intimate amber lighting; the perfect addition for a relaxing, comfortable atmosphere.

Bebulbs, a brand that's always pushing the boundaries of design for charming, great-quality LED light bulbs, now presents the Carbon Line: a modern retake of the traditional incandescent light bulbs.

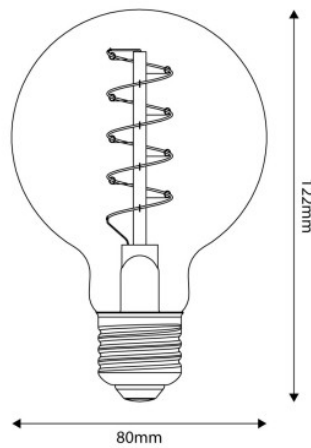

Data Sheet
