LED Smoky Light Bulb Ellipse 170 10W 470Lm E27 1800K Dimmable - H07

Description

Harmony and geometrical shapes: H07 Ellipse 170, a Bebulbs branded light bulb with high luminous flux. When it comes to LED light bulbs, Bebulbs always pushes the boundaries of design, for great quality and charm.

What makes it so special? The double filament, which merges the allure of the curved filaments to the power of the straight ones. For a stronger lighting compared to other smoky light bulbs. The result? A unique, elliptically-shaped, dimmable product, with long lasting, ample light emission (15.000 hours and 20.000 on/off cycles).

The smoky glass sets the perfect atmosphere for those who love subtle, soft lighting. Perfect for commercial or domestic use.

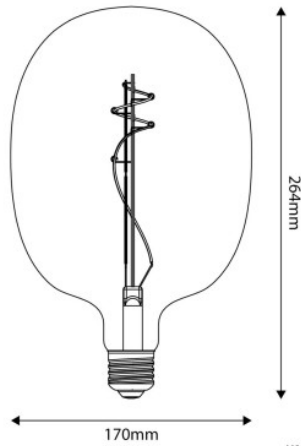

Data Sheet

Light bulb type: LED
Shape: Ellipse
Fitting: E27
Diameter: 170 mm
Length: 264 mm

Volt: 220/240V
