## LED Porcelain Effect Light Bulb CRI 95 ST64 7W 640Lm E27 2700K Dimmable - P02

### Description

The LED light bulb with an E27 fitting, ST64 shape, porcelain effect glass finish, 7.2W, 2700K dimmable, is a modern and refined lighting product that can be used in various environments, from the living area to the bedroom, from the study to the kitchen.

### Features

The E27 fitting of the LED bulb E27 CRI 95 ST64 - P02 makes it easy to install in existing lamps, ensuring maximum convenience. The bulb is also characterized by a **high color rendering index (CRI) of 95**, which means that colors are rendered very accurately and naturally.

### Finish

The porcelain effect glass finish gives the LED bulb E27 CRI 95 ST64 an elegant and refined appearance, perfect for creating atmosphere or a particular style in the surrounding environment. Thanks to the **white opaque glass**, this bulb creates a homogeneous and diffused light, which adapts perfectly to any type of modern or classic decor.

### Energy saving

The P02 LED bulb uses only 7 watts of energy, which means **considerable savings on energy costs** compared to traditional bulbs. In addition, thanks to LED technology, the bulb has a much **longer lifespan**, avoiding the need for frequent replacement.

#### Color and intensity

The LED bulb E27 CRI 95 ST64 offers a color temperature of 2700K, which makes it perfect for creating **warm and welcoming lighting**. The bulb is also dimmable, allowing you to adjust the intensity of the light according to your needs and preferences. The dimming function is particularly useful for bedrooms and in general in any environment where you occasionally want a soft light.

#### Shape

The ST64 shape of this LED bulb is **classic and elegant**, and guarantees a uniform light perfect for indoor lighting.

### Data Sheet
